

NON EXECUTIVE DIRECTOR

THE SCOTTISH EXHIBITION AND CONFERENCE CENTRE

Glasgow

SEC Ltd which owns the SECC is seeking to appoint a Non Executive Director to its board. The SECC is Scotland's largest indoor venue for public events and has experienced another year of growth. It is an award winning dynamic international business and generates considerable economic benefit for the whole of Scotland.

In addition to the main exhibition and events facilities, SECC also consists of the Clyde Auditorium which was opened in 1997 and is now established as an iconic landmark and successful concert venue. The construction of the stunning new Arena project is now well underway - this 12,500 seat arena will be the only one of its scale in the UK, built specifically to cater for live performances as well as large scale conferences. SECC also has its own box office and ticketing business, Ticketsoup.com and an in-house exhibition and event's organiser, QD Events Ltd. Further information on SECC and SEC Ltd can be found at: www.secc.co.uk

We are particularly interested in applications from people with previous board experience and backgrounds in strategic business development and marketing, perhaps within an international context. Although it is not essential, an appreciation of technology and how it can be used to support business development and marketing to enhance the customer experience would be particularly attractive.

To apply or to arrange an initial conversation about the role please contact Scott Black on 0131 539 7087
or by email to: scott@fwbltd.com
